

MUSICAL PRINCESSES:

Cut out and laminate each princess picture and name.

Fold names and place in a bowl.

Place princess pictures in a circle on the floor (use the same amount of pictures to the same amount of kids playing the game).

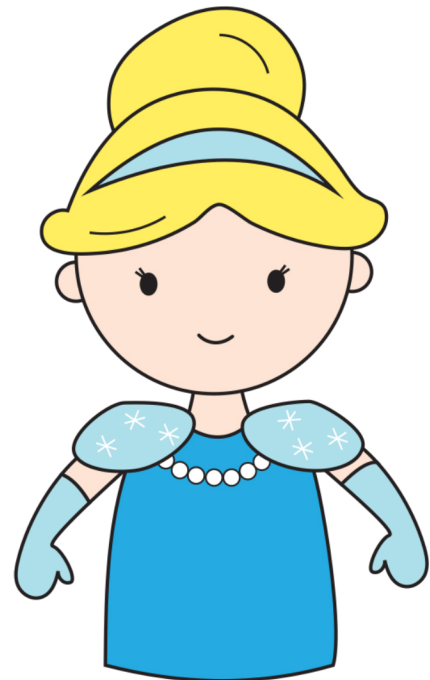

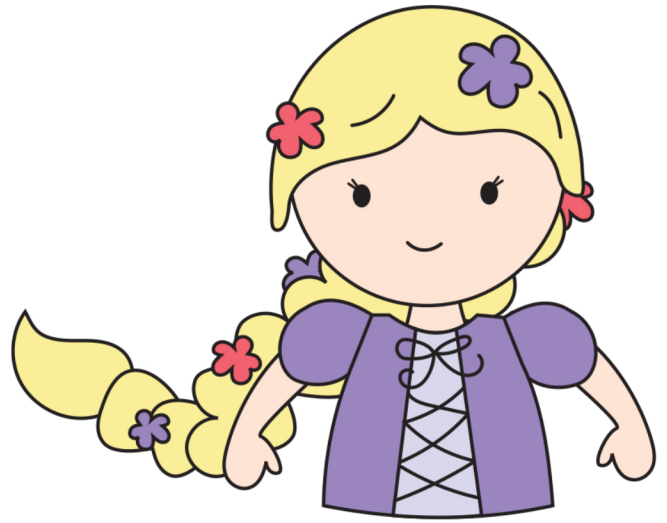

Each child starts on a princess. Play any princess music on your phone or a speaker while the kids dance around until the music stops. Pick a name and the child standing on that princess is out. Last one standing wins.

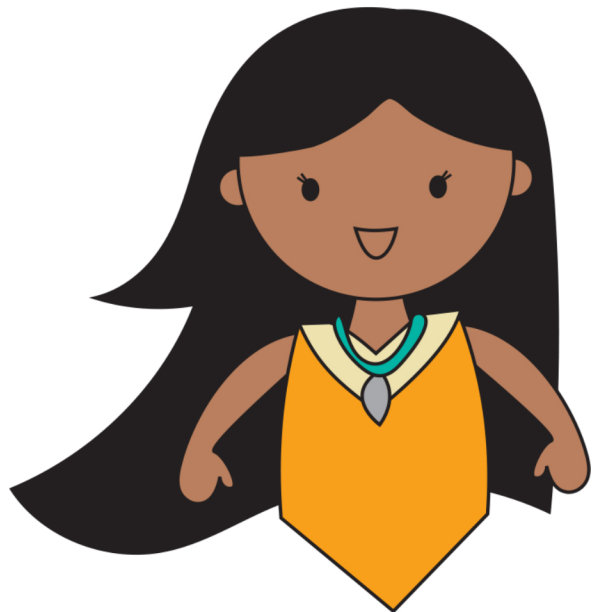

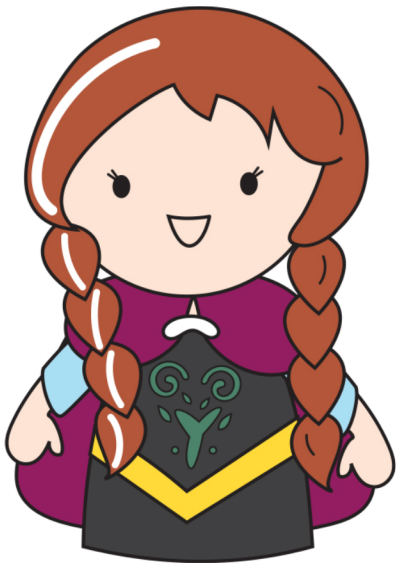

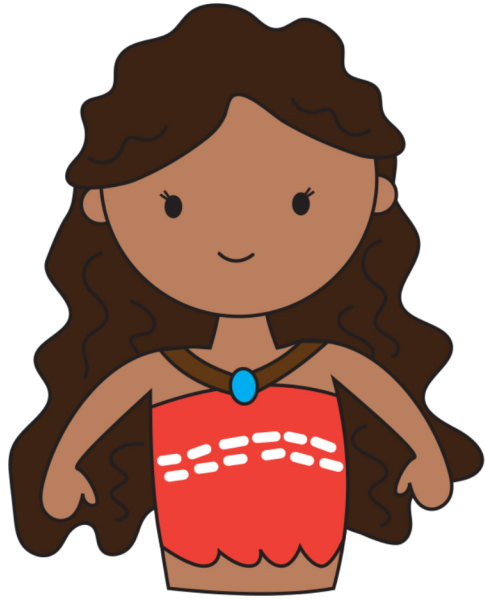

(Alternate way to play: the child standing on the princess that is picked wins.)
