

This is a black and white line drawing of a summer bucket list worksheet. At the top, there's a large rounded rectangle containing the title "SUMMER" in bold, uppercase letters, followed by "bucketlist" in a cursive script. Below the title, there are two columns of activities, each preceded by a small circle. The page is decorated with various summer-themed illustrations around the edges and between the activity lists. On the left side, there's a vertical strip showing a monster, a cloud, a book with letters A and B, a donut, a bear, a watermelon slice, a popsicle, a paint palette, a banana, a cupcake, and a unicorn. On the right side, there's another vertical strip showing a cat holding a balloon, a flower, a unicorn, puzzle pieces, a beach ball, a strawberry, a cookie, a star, a sun, a frog, a rabbit, and stars. At the bottom, there's a horizontal strip with a paper airplane, leaves, a monster, a donut, hearts, a popsicle, a book, flowers, a cupcake, and an apple. The overall theme is fun and summery.

# SUMMER

## bucketlist

- ☐ Build a fort
